

# How to Sign into Gmail From Home

To get to Gmail from home.

Make sure to use either Firefox or Chrome from home. DO NOT USE INTERNET EXPLORER

You can also use Safari on the Mac. Chrome will work the best on both Mac and PC

Once you open your browser- Go to [www.google.com](http://www.google.com)

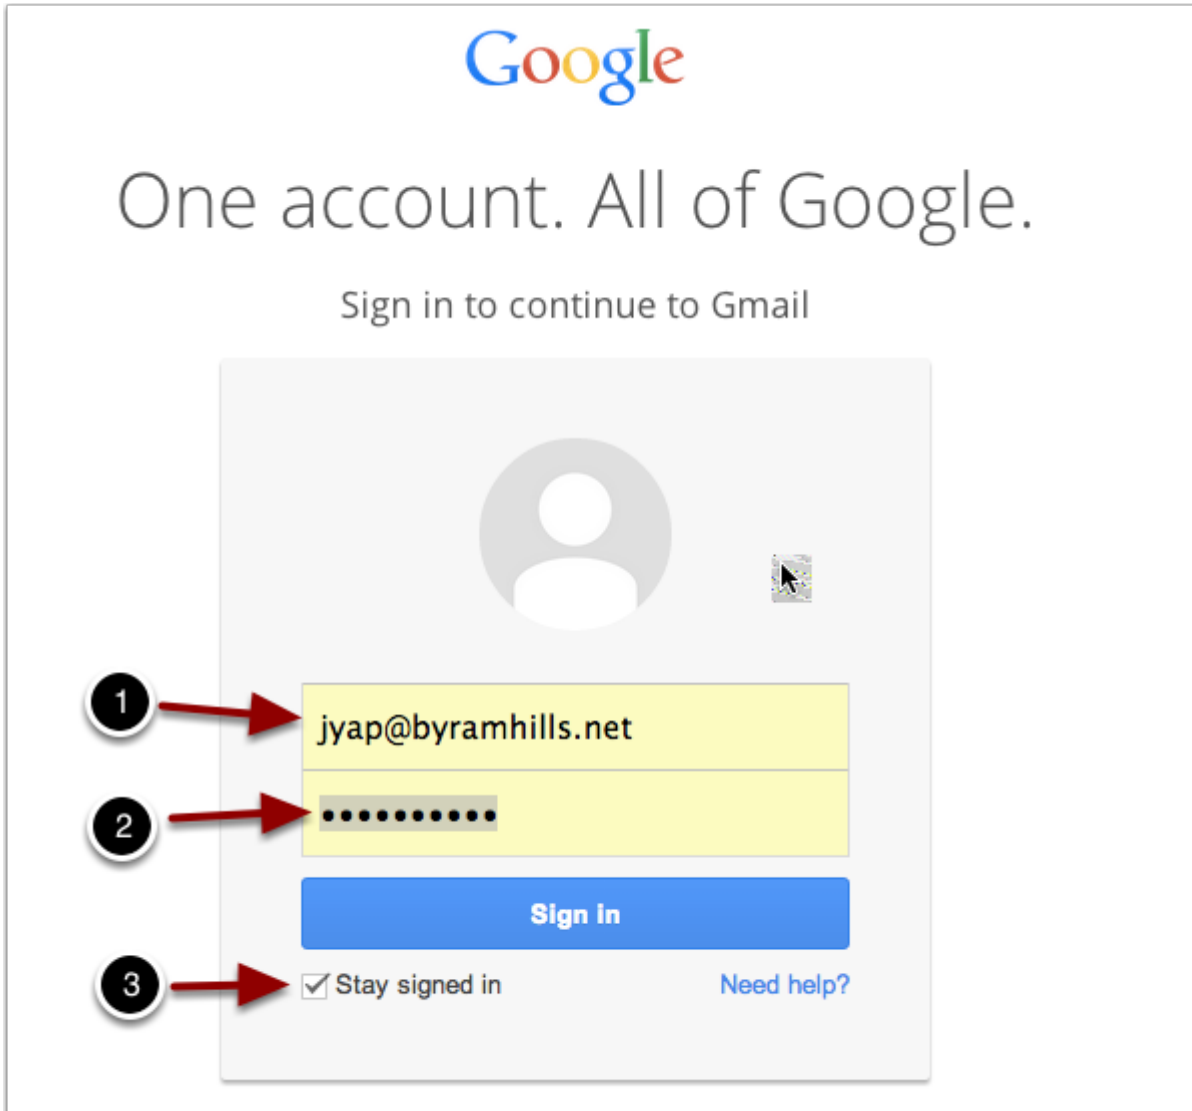

Click the Sign in button on right hand side

## Sign in - Google Accounts

This will take you to the below Screen.

1. Type your full email address with "byramhills.net" at the end
2. Use your password that you use to login into the computer
3. You may want to check "Stay Signed" if you do not share your home computer with anyone

## Click Mail

Once you are signed in, It will take you back to the main Google page. Once there click on "Mail". This will take you right into Gmail.
