

HCC Summer Reading 2017

The H.C. Crittenden Summer Reading assignment is an important part of the English Language Arts program. Summer Reading books will be discussed in the ELA classrooms during the first week of school. The links below provide information about the summer reading requirements for the 2017-2018 school year. For current eighth grade students entering the high school, please consult the BHHS web site for more information. Should you have any questions or concerns, please contact Kim Lapple at 273-4250.
