

**High School teachers vary in their supply requirements and frequently leave decisions about the details of supplies to the students' preferences, however the following are standard needs for classes:**

**Math**

If you plan on purchasing a graphing calculator/hand held device for high school use, the Math Department recommends the TI-Nspire CX (DO NOT purchase the TI-NspireCAS model). *This recommendation applies to **freshman and sophomores only.***

- graph paper
- rulers
- mechanical pencils
- a small 3 hole punch that is stored in a 3 ring binder
- other useful supplies include:
  - 3 ring binder with divider tabs
  - colored highlighters
  - assignment pad

**English Classes**

- Folder/binder
- notebook
- looseleaf paper
- 3 hole punch

**Foreign Languages**

- Spanish, French or Italian to English dictionary
- index cards

**Social Studies**

- 5 subject notebook with pockets
- colored pencils
- 3 hole punch

**Earth Science**

- 3 ring binder (1 and 1/2 inch)
