

Erin Heaton and Holly Rivlin, librarians
Susan Useted, library aide

Dear Third Grade Parents and Guardians,

As your child's librarians this year, we would like to warmly welcome both you and your child to third grade and to the Wampus library. Your child has a weekly library class with either Ms. Heaton or Mrs. Rivlin. Please see his or her schedule for the specific day and teacher. Our goal is to encourage and support our students as they grow as readers as well as to help them develop a lifelong love for learning.

We loan two items at a time to third and fourth graders and three to fifth graders. The loan period on all materials (books, magazines and audio-books) is one week and materials do not need to be brought in from home to be renewed. If your child reaches their loan limit, no further material may be signed out until the overdue items have been returned. In addition, lost or damaged materials will need to be replaced. Please be aware audio-books are costly to purchase and replace.

We have found it helpful if your child has a special place to keep his or her books at home and packs his or her library materials the night before library day. We truly appreciate your support and are looking forward to a fantastic year with your child!

Thank you,

Erin Heaton & Holly Rivlin
