A Day in the Life

Google is an integral part of our day and features have grown over the past year. WE have ALL learned tips and tricks that are worth sharing.

This is an edConference or unconference style event, so we will learn from each other and share our successes/challenges.

Participants will be asked to complete a survey before the event. This survey will shape the content and breakout sessions for the day.

General sessions on GoGuardian, Team Drives, Updates, and apps/extensions will be given.

Date	Time	Hours
June 29th	8:30 am - 3:30 pm	6 hrs + 1.5 hrs Independent work
