

BYRAM HILLS BOYS TENNIS SPRING 2021

HEAD COACH VARSITY TENNIS: MICHAEL RACANELLI

mracanelli@byramhills.org

HEAD COACH JUNIOR VARSITY TENNIS: STEVEN SKONIECZNY

sskonieczny@byramhills.org

April 19th, 3:30 - 6:30pm tryouts begin. Tryouts typically last a week depending on weather and other unforeseen circumstances.

Current Physical must be on file with the school nurse (physicals from 2019-2020 are accepted). You cannot participate in tryouts without this.

Participation Forms are on the school website, found under resources and forms. This must be handed in to the athletic office before you step onto the court this spring.

Covid Protocols: Each player must arrive and have their temperature taken at the high school upper gym everyday before each tryout/practice begins. Masks are to be worn at all times during tryouts and throughout the

season. Make sure to bring multiple masks with you to each tryout/practice. Social distancing observed at all times. Hand sanitizer will be provided on every court.

Come Prepared: Each student athlete should come with at least 2 racquets in their bag, plenty of water/beverage to stay hydrated, snacks, extra shirts, shorts, sweatshirts, pants, medical needs, etc.

Transportation: All members of Byram Hills Tennis are strongly encouraged to ride the bus to and from matches. Extenuating circumstances for different means of transportation must be discussed and approved by coaches before all matches. Departure/return via alternate methods requires all athletes to fill out a B - Form for transportation and needs to be submitted to the Athletic Director or Assistant Athletic Director 24 hours prior to the event and is only valid for one contest. B - Form is needed when a parent cannot take their child home from a contest and designates another parent or adult to do so.

Schedule: All athletes are expected to attend all practices and matches. Please look at the tennis schedule now on the school website and adjust your personal schedule accordingly. If a conflict should arise please communicate that with the coaches immediately. Practice times for the Varsity and Junior Varsity teams will be finalized and announced during the 1st week of tryouts. Please keep your schedule open and flexible.

End Of Season: The season will conclude by the end of the 1st or 2nd week of June depending on the success of the Varsity and Junior Varsity programs.

PREPARE YOURSELVES FOR AN AMAZING SEASON

LET'S GO BYRAM!!!
