BYRAM HILLS ATHLETIC DEPARTMENT

In-District Transportation Waiver Release

The Byram Hills School District provides transportation to all off-campus practices, scrimmages and game facilities within the Byram Hills School District's boundaries (Whippoowill Country Club, Brynwood Country Club, Armonk Tennis and others).

As designated by the Athletic Department, a student is allowed to drive to a practice, scrimmage or game, and home from a practice, scrimmage or game, that is conducted at those off-campus sites within the Byram Hills School District boundaries.

In such cases, a request must be made in writing in advance to the Director of Athletics. This request is valid and will be honored for the entire season in which the athlete is participating. **At no time does a student have permission, nor does this form entitle a student to transport other student/athletes to or from a practice, scrimmage or game.**

The Athletic Department reserves the right to revoke this privilege.

Parents wishing to permit their child to transport themselves to and from practices, scrimmages and games at off-campus sites with the Byram Hills School District should complete the form below.

Child's Name _____ Sport _____
(Include level)

I, _____, permit my child _____, to transport
(Athlete's name)

him/herself to the designated off-campus sites within the Byram Hills School District for practices, scrimmages or games.

I accept full responsibility for my child's well being while providing such transportation.
