Dear Community Member.

On Tuesday, May 18, we hope you will join us at H.C. Crittenden for the 2021-22 Byram Hills School Budget Vote and the vote for two trustees to the Board of Education. All COVID-19 safety precautions will be in place. The vote will take place from 6:30 am to 9:00 pm.

Voters who do not want to vote in-person will be permitted to request absentee ballots based upon COVID-19 concerns. Absentee ballots are available on the District website under the Board of Education tab.

The goal of this document is to provide information on the proposed budget to ensure that voters are informed. The District developed a budget that demonstrates fiscal prudence, ensures the safety and support of our students, and maintains our outstanding academic programs. The proposed budget results in a budget increase of 0.75% and will result in a tax levy increase of 1.0%, which is over \$1.3 million or 1.57% below the permissible tax levy limit. After reviewing these materials and the District budget website, we encourage you to reach out to the District with any questions.

Respectfully submitted,

Mr. Ira Schulman, President Mrs. Mia DiPietro, Vice President

QUESTIONS & ANSWERS ABOUT TAXES

VOTING INFORMATION

Why do tax rates differ by town?

- Each town has different practices for assessing property values and some have higher assessed values than others.
- The variations in assessed values are equalized annually by the county and New York State through the assignment of equalization rates based on sales data in each town.
- The equalization rate is the relationship between assessed value and full (market) value for all property.
- Annual changes in the equalization rates account for the tax shifts among the four towns in our school community and for the different percentages of change.
