## Dear Community Member,

The Byram Hills Central School District budget and school board trustee vote will take place at H.C. Crittenden on Tuesday, May 17th. Absentee ballot applications are available on the District website under the Board of Education tab. Please note that according to New York State law, the risk of contracting COVID-19 will be among the reasons why voters can use an absentee ballot for this upcoming election.

The goal of this document is to provide information on the proposed budget to ensure that voters are informed. Over the past ten years, Byram Hills tax levy increases have consistently been below the permissible tax levy limit. This year is no exception. The proposed budget results in a 1.78% increase of expenses and a 1.84% increase in the tax levy, which is \$560,365 below the tax levy limit.

After reviewing these materials, we encourage you to reach out to the District with any questions. We are committed to maintaining transparency and dialogue with the community regarding the budget process.

Respectfully submitted,

Mr. Scott Levy, President

## QUESTIONS & ANSWERS ABOUT TAXES

### Why do tax rates differ by town?

- Each town has different practices for assessing property values. Some have higher assessed values than others.
- The variations in assessed values are equalized annually by the county and New York State through the assignment of equalization rates based on sales data in each town.
- The equalization rate is the relationship between assessed value and full (market) value for all property.
- Annual changes in the equalization rates account for the tax shifts among the four towns in our school community and for the different percentages of change.

#### PROJECTED 2022-23 TAX RATES PER \$1,000 OF ASSESSED VALUE

TOWN	EST. RATE*	% CHANGE
North Castle	\$718.29	+2.00%
New Castle	\$83.02	-5.58%
Bedford	\$141.76	-8.39%
Mt. Pleasant	\$1,228.22	+0.40%

\*Please note: Tax rates are estimated and subject to change.
