March 5, 2021

To the Byram Hills School Community,

We were informed of a COVID-19 positive case on an opposing athletic team that affected members of the Varsity Ice Hockey team. There are 14 individuals who will be in quarantine. Those individuals have been contacted.

Based on the COVID-19 Mirimus saliva testing completed this week, we learned of one COVID-19 positive case District-wide that did not result in any quarantines.

Thank you for your continued support.

Thank you,

Jen Lamia, Ed.D.
Superintendent of Schools
