February 8, 2021

To the Byram Hills School Community,

I write to you this evening about snow and COVID.....again!

SNOW:

We are anticipating a snow event of up to 3 inches tomorrow, lasting throughout the day and potentially mixed with rain. The temperature will hover at the freezing mark. **I am going to wait until tomorrow morning** to determine if a delay or an asynchronous snow day is necessary. Be prepared to receive a phone call and email by 6:30 am if we delay or have asynchronous instruction. In the event we have a regularly scheduled day, I will send an email verification by 6:30 am.

COVID-19

We have been informed today of two COVID-19 positive cases - one at Wampus and one at Byram Hills High School. There are 14 individuals who will be in quarantine. Those individuals have been contacted.

Thank you for your continued support.
