

BYRAM HILLS

CENTRAL SCHOOL DISTRICT

10 TRIPP LANE ARMONK, NY 10504

February 2, 2021

Good Evening,

Although I am hoping for an on-time opening tomorrow for Byram Hills Schools, our transportation department will be on the roads at 5:30 am to determine the conditions and if a delay is necessary.

If a delay is needed tomorrow, I will send an email and a phone blast by 6:30 am.

Covid Update

Byram Hills just learned of an individual who received results from a COVID test on Saturday and the results were positive. Four individuals had to quarantine and were informed today when we learned of the case and conducted contact tracing.

Let's all hope for a smooth start to school tomorrow!

Sincerely,

Jen Lamia, Ed.D.

Superintendent of Schools
