## CENTRAL SCHOOL DISTRICT

---

10 TRIPP LANE ARMONK, NY 10504

**December 13, 2020**

To the Byram Hills School Community,

We have been informed about a COVID-19 positive case at Wampus. There are 16 students who had exposure and are in quarantine.

The Department of Health continues to guide our COVID-19 cases and protocols for quarantine. Please know that we have not heard of anyone who has become COVID-19 positive while in a past Byram Hills quarantine, giving us some assurances that our social distancing and cleaning strategies are working. This appears to be another isolated case.

Thank you for your continued support - I hope that your families are well.

Thank you,

Jen Lamia, Ed.D.  
Superintendent of Schools
