

BYRAM HILLS

CENTRAL SCHOOL DISTRICT

10 TRIPP LANE ARMONK, NY 10504

November 1, 2020

To the Byram Hills School Community,

Re: Byram Hills High School Remote Until November 12th, 2020

Byram Hills High School will remain on remote instruction until November 12, 2020. During a time when we have individuals quarantining at the high school and one cohort at Wampus, and with COVID-19 cases on the rise in Westchester, it is important that all school community members are kept informed.

As of last Friday, the District was tracking seven positive cases at the high school. Today we learned of another case of an individual who was tested last Wednesday and just received results today, resulting in the high school's eighth positive case. All of the cases appear to be linked to the others that we have been tracking.

In total, 128 students and 20 staff members are now in quarantine at BHHS, completing quarantine on November 9th, 10th or 11th (Veteran's Day), depending on the date of last exposure to a positive individual.

It is not possible to run our BHHS programs in-person with so many staff members quarantined, so we will remain on remote instruction.

Classes will resume in-person for the L-Z cohort on Thursday, November 12th. Students who need essential materials from the high school should contact their assistant principal via email.

Thank you.

Sincerely,

Jen Lamia, Ed.D.
Superintendent of Schools
