

BYRAM HILLS CENTRAL SCHOOL DISTRICT

10 TRIPP LANE ARMONK, NY 10504

August 3, 2020

To the Byram Hills School Community,

Last week I presented the Return-to-School Plan to the Board of Education for approval. Next, I met with the staff during Faculty Meetings and parents and guardians at the Principal's Coffees. Thank you to everyone who attended and for sharing your feedback.

The Return-to-School Plan is now on our website and includes a Table of Contents for easy navigation. The plan is a living document, as per NYSED, and may be updated. Any significant changes will be emailed to you. I have also attached a video of the taped Board of Education Meeting from July 28th for anyone who may have missed the Faculty Meetings or Principal's Coffees.

It will be a community effort to remain safe within the parameters necessary to return our children to their classrooms. Thank you for your support.

Jen Lamia, Ed.D.
Superintendent of Schools
