CENTRAL SCHOOL DISTRICT

August 29, 2023

To the Byram Hills School Community,

Welcome to the 2023-2024 school year! I hope that this past summer was one the best you have ever had.

The faculty, staff, and administration at Byram Hills welcome the return of students and look forward to seeing their faces in our classrooms. From my office windows, I already see the positive energy on our sports fields as students sport their Byram Hills gear. Go Bobcats!

Classes will begin on **September 5, 2023**. By now, you should have received a copy of the school calendar in the mail. The calendar is also available on [our website](#) and includes important information for upcoming Back-to-School Nights, Principal Coffees, and other building and school-wide events.

I look forward to sending you the traditional Welcome Back video highlighting your children on the first day of school. Until then, please take a moment to review the attached short videos introducing Byram Hills administrators who are new to their positions.

Enjoy the rest of these summer days. I look forward to hearing our buses rolling in next Tuesday!

Sincerely,

Jen Lamia, Ed.D.
