

# BYRAM HILLS CENTRAL SCHOOL DISTRICT

---

10 TRIPP LANE, ARMONK, NY 10504

September 6, 2023

To the Byram Hills School Community,

Tonight we begin the first of many Back-to-School Nights scheduled for the upcoming weeks. Please check the school calendar for your child's grade so that you can meet our amazing teachers and administrators.

There are two organizations that support our work every day and I hope that you can learn more about them by watching these two short videos, which we will also show on Back-to-School Nights. The PTSA and the BHEF are our school partners, shaping the school experience through volunteer work, fundraising, and collaboration. I am sure that you will be in awe of their contributions as they affect every child.

In addition, we are thrilled to reintroduce our **Media & Communication Center Parent Volunteer Program**, inviting parents to engage in digital media and photography for the District. By capturing moments and creating compelling content, volunteers will actively contribute to District events and initiatives, foster a sense of connection and a shared narrative. Join us in leveraging the power of media to strengthen community bonds and create lasting memories. No experience is necessary; training programs will be available! Please contact Mr. Brian Melso, our Head of Operations for the Media & Communication Center, at [BMelso@byramhills.org](mailto:BMelso@byramhills.org) if interested.

Sincerely,

**Jen Lamia, Ed.D.**

Superintendent of Schools
