

BYRAM HILLS CENTRAL SCHOOL DISTRICT

10 TRIPP LANE ARMONK, NY 10504

June 26, 2020

Good morning,

This week I hosted Principal's Coffees at each building, met with the PTSA, the Board of Education, and our Community Stakeholder Group to update them on the committees and timeline for the work that the faculty, staff, and administrators will be doing this summer. I recorded a video of what was shared at those meetings for all faculty and staff, as well as parents who were unable to attend the coffees.

This video does not include schedules for September at each building - that is the work to be done by our faculty, staff, and administrators over the coming weeks. This video explains the District's processes and timelines to be ready for September.

Optional faculty/staff meetings and additional Parent Coffees with more detail by building are scheduled for the end of July and the end of August. You will receive those invitations from your building principals.

Many of our faculty and staff and all administrators will be working through the summer to ready our District. I am grateful to all of them for their commitment to the children and families of this community.

I wish you all a healthy and enjoyable summer.

Jen Lamia, Ed.D.
Superintendent of Schools
