

# BYRAM HILLS CENTRAL SCHOOL DISTRICT

## APPR DISCLOSURE

New York law requires that school districts make available the evaluation scores of teachers and/or principals of a parent or legal guardian's children. Information on how to obtain scores can be found in the attached document: [Parent Disclosure Request](#). You may only request the scores for your child's current teacher(s) and/or principal.

Information about the teacher and principal evaluation process in NYS can be found in the [Parent Brochure](#). Also, you may access information about our teacher and principal evaluation process in our Guide to Teacher Evaluation and Annual Professional Performance Review on our [website](#).

Please contact your child's principal or the District Office should you have any questions about this process.
