

BYRAM HILLS

CENTRAL SCHOOL DISTRICT

10 TRIPP LANE ARMONK, NY 10504

November 6, 2020

To the Byram Hills School Community,

I did not anticipate writing to you again this evening, but we have a reported COVID-19 case at HCC. Tonight I sent the parents of 43 grade 6 students an email that their child needs to quarantine through 11/18 or 11/19, depending on the day of exposure. There were 6 faculty members affected.

This appears to be an isolated case at the grade 6 level and the DOH will begin contact tracing. It is not linked to any of the high school cases.

We see from the COVID tracker for schools that cases continue to rise in Westchester. We will continue to remain vigilant and communicate with you.

Thank you,

Jen Lamia, Ed.D.
Superintendent of Schools
