

Terms of Use for Facility Users in the Byram Hills Central School District

All requests to use facilities must be submitted through SchoolDude, the automated facilities scheduling program, 30 days in advance.

Responsibility of Persons Who Use School Property:

Each organization or group permitted to use school property shall be responsible for any damage to or destruction of school property resulting from the use of such property by such organization or group, and shall agree to indemnify the Board of Education from any and all claims for death or personal injury for damage of property of others occurring during the use of school property by such organization or group.

The authorized adult organization member making this application, having read the regulation “**Procedures for Use of Facilities**” of Byram Hills Central Schools agrees to comply with same in every respect and states character of program conforms to regulations. If police services are required (Section IV, Regulations Bldgs. And Grounds), Building Principal is to receive arrangement confirmation 24 hours in advance.

As required under federal and state law, the District maintains a tobacco-free environment within the buildings, District vehicles and on District playing fields. Any group using building or fields agrees to maintain the tobacco-free environment.
